The image shows four scenarios of coin addition and subtraction, each with a red arrow indicating the direction of the operation and a square box for the answer.

- Top-left:** 6 coins (3 on top, 3 on bottom) with a red arrow pointing left to a box containing a plus sign (+).
- Top-right:** 4 coins (2 on top, 2 on bottom) with a red arrow pointing up to a box containing a minus sign (-).
- Bottom-left:** 4 coins (2 on top, 2 on bottom) with a red arrow pointing down to a box containing a minus sign (-).
- Bottom-right:** 6 coins (3 on top, 3 on bottom) with a red arrow pointing right to a box containing a plus sign (+).
